

FINO SANS

DRAMATIC, CONTEMPORARY TITLING
FAMILY THAT SCALES BEYOND THE WORLD OF
LOOKS BY TAPPING INTO ARCHETYPES.

DESIGNED BY

Ermin Mededović

YEAR

2016

Tall, stately, and refined, with a showy contrast between thick and thin, a certain kind of titling Didone has become synonymous with fashion.

Ermin Mededović's latest type system amplifies the most theatrical aspects of this genre while bringing an uncommon flexibility of style and variation to any type palette – particularly those required for editorial design.

Fino is a Rational (or Modern) display serif with sharp details. Its fairly narrow proportions produce a regular beat of bold stems at frequent intervals. One can add an unexpected twist to this plot line by introducing the alternate 'C, D, G, O, and Q' (found in the uppercase), replacing oval shapes with big, full, show-stopping round ones.

Other alternate forms, along with a grand ensemble cast of ligatures, lets the director continually flip the script.

This stage is set in three acts: Fino, Fino Sans, and Fino Stencil. Each of these offer six weights and italics, and each actor is comfortable speaking any Latin-based language, from standard Hollywood English to the many accents of Eastern Europe.

Finally, every style comes in two optical sizes, with Title having the Ultrathin hairlines for the biggest parts. This lets you put Fino to work in a variety of productions, from short texts (24pt–48pt settings) to epic titles.

All these talents let Fino perform a range of roles far broader than your typical Bodoni or Didot.

THE DESIGNERS

Ermin Međedović a native Croat living in Slovenia for the past 20 years, is an accomplished graphic and type designer. In the past he has worked for big advertising agencies, run his own design studio and created several custom typefaces. He taught type design at the Design Academy in Ljubljana and works as design director at the Delo Publishing house.

Ermin has published Lipa Agate and the tri-part Fino font family with TypeTogether.

FAMILY UPGRADES

Buy a single weight (or more) now and get reimbursed if you buy the entire font bundle at a later time. This is a great way to explore a new typeface without full commitment. To take advantage of the upgrade, please email info@type-together.com.

CUSTOM WORK

We offer custom font solutions tailored to your needs. This includes developing new typefaces from scratch, modifying existing typefaces, extending language support, and creating logotypes. Please contact us for details at info@type-together.com.

LICENSING

Our complete font catalogue, along with the presented type family here, are available for print, self-hosted web applications, and app embedding from TypeTogether's online store. For other types of licences and more information, please contact us at info@type-together.com.

TESTING OUR FONTS

TypeTogether actively seeks ongoing dialogue with all type users and therefore offers free temporary licences to test any of our typefaces. The test fonts are fully functional and include the entire character set and OpenType features. To request test fonts, please contact us at info@type-together.com.

EDUCATIONAL & CHARITY DISCOUNT

TypeTogether offers a 25% discount on all typeface purchases for students and those in education (schools, departments, etc.). This discount also extends to NGOs and charities in general. Please contact us for details at info@type-together.com.

For further information, samples, and ordering, please visit www.type-together.com.
